I ♥ HORSES

Dear Diary, Becky doesn't seem to like Jenna. Is it because of the secret Jenna made me promise never to tell? Is it because the riding lessons haven't gone like we hoped? Mum's acting strangely as well. If only Honey could talk. I know she'd have all the answers. Ash xx

Dear Diary, Jenna is here! We're sharing my room and Jenna's going to have riding lessons. This is going to be so cool! Jenna, Becky and I are going to be the three best horse friends and have the most amazing summer together ever. We'll ride all day, have sleepovers every night and, with Becky's help, Jenna will be transformed from computer head to totally horse mad! Ash xx

Dear Diary, I have so much to tell you. There's a cross-country riding competition coming up. First prize is a thousand dollars and a four-week stay at Watahah Grove Riding Academy. I've always wanted to ride there and now I have a chance. There's just one problem. Well, two. I've only done a little bit of cross-country. And only two riders per age group per zone are allowed to enter. I can't wait to tell Jenna. I can't wait until she comes to stay! Ash xx
