movies

New York Minute (pg)

M-K and A play sisters who don't get along. Jane (Ashley) is an over-achiever trying to win a scholarship abroad and Roxy (Mary-Kate) is a rebel trying to get her band's demo to an agent. Things get out of hand when they land in the middle of a black market deal, are chased by a crazy truant officer, and get accused of stealing a senator's dog! Must-see madcap fun for any M-K & A fan.

Shrek 2 (pg) Picking up where the first one ended, Shrek and Fiona return from their honeymoon to find an invitation to dinner from Fiona's parents. The big prob is they have no idea that their daughter is now an ogre. Eeek!

to find an invitation to dinner from Fiona's parents. The big prob is they have no idea that their daughter is now an ogre. Eeek!

Mean Girls (pg) Teenage Drama Queen star Lindsay Lohan is Cady. She's a hit with The Plastics, the A-list gals at her new school... until she falls for the ex-boyfriend of one of the girls. Oops! Very funny!

The Prince & Me (pg) A cute love story about a pre-med student named Paige (Julia Stiles) who falls in love with a guy who turns out to be a Danish prince. Ooooh!

DID YOU KNOW?

1. Julia O'Hara Stiles was born on 28 February 1981, in New York, USA.
2. Her fave band is The Smiths.
3. In 2001, she joined Habitat For Humanity, an organisation that builds homes for the needy!
4. She loves to play soccer.
5. Even though she's a hit on the big screen, Julia is majoring in English at Columbia University. Nice one!

Spider-Man 2 (pg) Tobey Maguire and Kirsten Dunst return to the Spidey game in this action-packed sequel. This time our fave webslinging superhero encounters a new nemesis, the villainous Doctor Octopus.

M-K & A get caught out!

dvd's

Shrek 3-D (pg) A double DVD pack that features the original Shrek plus an all-new 3-D adventure – complete with funky 3-D glasses. Sooo cool!!

Shrek's baaack!!

Spy Kids 3-D: Game Over (pg) This time around it's up to Juni to save his sister... and the world!! Easy, right?!

Brother Bear (g) A hunter is magically changed into a bear. Plus you get a *Bear Buddies Catch Game* free with every DVD. Cool!!

The Lord Of The Rings: The Return Of The King (m) The final battle for Middle-Earth begins as Frodo and Sam continue their trek to destroy the One Ring. Violent, but if you can handle it, it's worth it for Orlando's dishy blue eyes!

books

Schnitzel Von Krumm, Dogs Never Climb Trees

Written by Lynley Dodd (Puffin Books) Schnitzel Von Krumm is a mischievous dog who chases cats and digs holes. Sometimes he bites off more than he can chew! This is a cute picture book with a story that rhymes so it's lots of fun to read out loud.

How The Kangaroos Got Their Tails

Told by George Mung Mung Lirmiyarri, compiled by Pamela Lofts (Scholastic) This book details the Aboriginal story of how kangaroos came to have tails and it is all because of two fighting kangaroos! The illustrations in this book are paintings by school children, so they are bright and colourful.

Makeup Shake-Up

Written by Eliza Willard (HarperCollins) Based on a TV series, *Makeup Shake-Up* is the first exciting instalment in

The Lion King 3: Hakuna Matata (g) The story of how comic duo Timon the meerkat and Pumbaa the warthog met. Plus we see events, like Simba's birth, through the eyes of this mad pair. Totally top fun!

a series of books starring everyone's favourite twins – Mary-Kate and Ashley. This time, the girls are special agents sent to New York City on a top-secret mission. Why are the world's best fashion models acting so strange on the catwalk? Could it be that their make-up is making them crazy?

Fashion Follies Written by Natalie Jane Pryor, illustrated by Cheryl Orsini (Hodder) This is the first title in a new series about three dolls who happen to be best friends. Jane, Kiki and Susannah are helping out a friend by starring in a fashion competition but mean Madison wants to win at all costs! The Dolls series is fun, with cute illustrations and fun facts about the characters on each page.

Specky Magee And The Season Of Champions

Written by Felice Arena and Garry Lyon (Puffin Books) A novel about an under-14s AFL team, written by a real AFL football star – Garry Lyon! This is the third Specky Magee novel,

in which Specky is injured and can't play football for seven weeks. But if he can't play, how can Specky win a sporting scholarship to the prestige Gosmore Grammar? Join Specky and all his nicknamed mates as they tackle homework, girlfriends, bullies and, of course, football!!

Totally Horse Mad

Written by Kathy Helidoniotis (Banana Books) Ashleigh Miller is a dreamy, horse-loving 12-year-old whose biggest wish is to ride to glory in the Olympics on her favourite horse Princess. But the first step to an equestrian gold medal is getting a horse, and Ashleigh has no money and the smallest backyard in the world! Is getting a horse really the most important thing to Ashleigh? This is a new novel for older readers that is loads of fun to read, especially if you like horse riding. *The Saddle Club* girls would love this book for sure!
